BADREDDINE ZMARROU

Sound Engineer & Music Producer

Production · Mixing & mastering · Live sound · Audio post-production

PROFILE

Sound technician with a state diploma in Audiovisual – Sound from OFPPT (June 2026). I have been producing, recording and mixing for Moroccan rap artists since 2024, with hands-on experience in live sound for events and in audio post-production for television and short film. Comfortable in the studio and at the mixing desk, and quick to adapt to any setup.
